Summer Meet 2024 at Ambedkar College, Fatikroy: A Detailed Report

Introduction: The Summer Meet 2024 held at Ambedkar College, Fatikroy, was a vibrant and energetic event that brought together students, faculty, and physical instructors in a celebration of sportsmanship, camaraderie, and healthy competition. Spanning from 2nd May 2024 to 4th May 2024, the event encompassed a diverse range of outdoor and indoor activities, fostering the holistic development of the participants and highlighting the significance of sports in student life.

Inaugural Programme: The Summer Meet commenced on 2nd May 2024 with a grand inaugural program held at the spacious grounds of Fatikroy HS School. Dr Subrata Sharma, the esteemed Principal in charge of Ambedkar College, graced the occasion alongside Mr Lalthamuana Darlong, Assistant Professor, Dr Sayan Saha, Assistant Professor, Mr Krishna Ranjan Pal, AHM of Fatikroy HS School, and Mr Tapas Datta, Senior PI. The inaugural speeches resonated with the theme of the event, emphasizing the pivotal role of games and sports in shaping the character, discipline, and overall well-being of students. Dr Sharma, in particular, underscored the importance of adhering to the rules and regulations governing the games, instilling a sense of fair play and sportsmanship among the participants.

Activities on 2nd May 2024: Despite the enthusiastic anticipation of outdoor games, the first day of the Summer Meet was met with a challenge in the form of heavy showers, rendering it impossible to conduct any outdoor activities. However, the spirit of the participants remained undaunted, setting the stage for the events to follow.

Activities on 3rd May 2024: The 3rd of May witnessed a flurry of sporting activities, with students eagerly participating in various track and field events. The events included exhilarating competitions such as the 100-meter sprint, 200-meter sprint, and 400-meter relays, with separate categories for boys and girls. The atmosphere was charged with excitement as participants showcased their speed, agility, and determination to emerge victorious. Additionally, the long jump competitions saw impressive displays of athleticism from both boys and girls, with positions for first, second, and third meticulously recorded for each category. Amidst the track and field events, a semester inter-cricket match added a competitive edge to the proceedings, culminating in the sixth semester clinching the championship title while the fourth semester secured the runners-up position.

Activities on 4th May 2024: Transitioning from outdoor to indoor settings, on the 4th of May brought forth a new array of games and challenges for the participants. Indoor games provided an opportunity for students to

showcase their strategic thinking, teamwork, and coordination skills in a different arena. Ludo emerged as a popular choice among the participants, with boys and girls engaging in spirited matches, displaying both competitive zeal and sportsmanship. Adding a dash of excitement, the classic game of musical chairs brought laughter and cheers as boys and girls teams vied for a seat in the ever-diminishing circle, showcasing their agility and quick reflexes in a fun-filled environment.

Prize Giving Ceremony: The culmination of the Summer Meet 2024 was marked by the grand prize-giving ceremony held on 7th May 2024. Dr. Subrata Sharma, the Principal in charge of Ambedkar College, presided over the ceremony, symbolizing the culmination of days filled with sportsmanship, camaraderie, and spirited competition. The ceremony was attended by faculty members, students, and physical instructors, who had played an instrumental role in organizing and executing the event. As a token of appreciation for their invaluable contribution, four physical instructors were felicitated for their dedicated service and unwavering commitment to ensuring the success of the Summer Meet. Their tireless efforts behind the scenes exemplified the spirit of volunteerism and teamwork, setting a shining example for the entire college community.

In addition to honouring the physical instructors, the prize-giving ceremony also served as a platform to recognize and celebrate the achievements of the students who excelled in various games and competitions

throughout the Summer Meet. Prizes were awarded to students who secured first, second, and third positions in their respective events, acknowledging their dedication, perseverance, and exemplary performance on the field. The ceremony culminated with a sense of pride and accomplishment, as participants reflected on their journey of growth, learning, and camaraderie fostered through the medium of sports.

Conclusion: The Summer Meet 2024 at Ambedkar College, Fatikroy, epitomized the ethos of sportsmanship, teamwork, and holistic development. From the exhilarating track and field events to the engaging indoor games, the event provided a platform for students to showcase their talents, challenge themselves, and forge lasting bonds of friendship and camaraderie. Under the guidance of dedicated faculty members and physical instructors, the Summer Meet served as a testament to the transformative power of sports in shaping the character, discipline, and overall well-being of students. As the curtains drew to a close on yet another successful edition of the Summer Meet, the memories, experiences, and lessons learned will continue to resonate within the college community, inspiring future generations to embrace the spirit of sportsmanship and strive for excellence in all endeavours.
