

AMBEDKAR COLLEGE, FATIKROY

SCIENCE FORUM

Report

A seminar was organised on the 13th of March, 2024 at the seminar hall of Ambedkar College, Fatikroy on the occasion of Foundation Stone Laying of three semiconductor parks by the Honourable Prime Minister of India.

The programme started with welcome address by the convenor of Science Forum Dr Abhik Choudhury. It was followed by a brief and insightful discussion on the topic, **“India’s Semiconductor Mission; Another step towards viksit Bharat”** by Dr Subrata Sharma, Principal-In-Charge, Ambedkar College, Fatikroy. After that Sri Ramakrishna Sutradhar, faculty of the Department of Physics delivered his lecture on the topic **“Use of semiconductors in solar cell technology”**. The programme ended with vote of Thanks delivered by Dr Pijush Dey, faculty of the Department of Physics.

After this Live streaming of the Foundation Stone Laying ceremony of three semiconductor parks was done for the faculty members and students present in the seminar hall.
