About the College:

Date of Establishment: 26/09/1991

College Website: www.actripura.edu.in

College mail id: principalacfr@gmail.com

Institutional Status: Govt. General Degree College, Under DHE, Govt. of Tripura
Affiliated to Tripura University and recognized by UGC under section 2(f) and 12(B)
from 12/03/2010.

Accreditation Status: NAAC (1st cycle) on 01/05/ 2015 with C grade
NAAC (2nd cycle) 27/02/ 2021 with B+ grade

Principal/Principal i/c: Dr. Subrata Sharma, Assistant Professor in Philosophy

Ambedkar College, a Government General Degree College (GDC), was established on 26th September 1991. Initially the college was running in the campus of Fatikroy Class XII School, as it had no campus of its own. Afterwards on 15th August 1999 the college got its present permanent campus, which was acquired at the cost of vacating 34 families residing in that area who were rehabilitated by the local administration in Govt. land within 1 KM from the college. The college is located in the Laldahar area, under Rajnagar GP of Fatikroy, Kumarghat subdivision, Unakoti (24.1716229 0N 92.01599310E) Tripura. Since the initial days, this college marked with the sacrifice of common people of this land and through years of struggles from various fronts, this college has grown to its present form, which comprises of 10.4 Acres

of land encompassing an old and a new campus along with a number of academicians with impressive numbers of students. The college is permanently affiliated to the Tripura University (A Central University) since 2009. And in the year 2010 the college got UGC recognition under the section 2(f) & 12(B) of the UGC Act, 1956.

In course of its glorious journey of over 29 years, the College has achieved to run **fifteen** departments, one centre for Distance Education of Tripura University and Learner Support Centre of Indira Gandhi National Open University (IGNOU) to help the working man and woman

of this rural area to fulfil their aspiration for higher learning. The College also has **NIELIT centre** to offer short term courses on computer literacy. College offers three years (Six Semesters) UG degree programs, i.e. B. A. and B.Sc., in different subjects in Credit Based Semester System. The college is the **first Govt. Degree College of Tripura participated in the National Institutional Ranking Framework**

(NIRF), Ministry of Education, Govt. of India, ranking in 2017-18 and also participated in succeeding years.

As an academic institution for Higher Education based in a rural area, the college has always tried to improve the quality of education. As part of that and following the mandate of UGC, Internal Quality Assurance Cell (IQAC) was established in the college in the year 2012 and has been functioning as a catalyst for many processes about quality nourishment and enhancement. Subsequently, ignoring all constraints and with the only aim to improve the quality of education, the college went through the first cycle accreditation by National Assessment and Accreditation Council (NAAC), an autonomous institution of UGC, Govt. of India, in the year 2015 and obtained C grade with CGPA 1.52. And in the year 2021, converting the challenges of Covid-19 pandemic into opportunities, college faced the second cycle accreditation was done by NAAC and secured **B+ grade with CGPA 2.69, which is the highest among the accredited (2nd Cycle) general degree colleges of Tripura.**

5. Dropout in the year 2021-22:

| | | |
|---------------|---|-----|
| Entry 2019 | No. of first Semester student of 2019-20 batch | |
| Exit 2022 | No. of End Semester/Pass out student Appeared final examination in 2021-22 | 322 |
| Dropout | | |

6. Number of working days during 2021-22:

| | |
|----------------------|------------|
| Working days | 260 |
| Teaching days | 210 |
| Holiday | 105 |

22/7/22
 (DR. SUBRATA SHARMA)
 Principal In-Charge,
 Ambedkar College, Fatikroy
 Unakoti, Tripura.

7. INTERNAL QUALITY ASSURANCE CELL (IQAC)

Criterion-wise Observations and Suggestions:

1. Curricular Aspects:

Observations: As the college is affiliated to Tripura University so the syllabus and rules and regulations pertaining to curricular aspects prescribed by the affiliating university is followed by every departments of the college. Every department of the college functions strictly adhering to the academic calendar of the college. Departments have no autonomy to introduce new courses independently. Few teachers of the college are in various BoS.

Suggestions: 1. More number teachers should be involved in the different BoS.

2. Departments should submit proposal for add-on, certificate and diploma to various agencies.

3. Feedback on Curriculum should be taken form Alumni and Parents.

2. Teaching learning and evaluation:

Observations: The teaching day in all departments is above 85%. Department wise teacher-students ration is very poor; contrary to the overall teacher-students ratio of the college. Over all students' pass percentage is 96%. Overall dropout rate is 20%. At the beginning of the academic session all departments distributes their syllabus among teachers as per allotted classes and maintain the record. Teachers of all departments maintain academic planner/teacher's diary and complete their topics according to the teaching plan suggested in the planner/diary. Most of the departments do not maintain course competition report in regular interval. Use of ICT by the teachers of all departments is encouraging. Every department identify slow and advanced learns in their subjects and maintain record of the same; but did not arrange any formal remedial/special/extra classes for slow and advanced learners. Departments arrange counseling classes for students, but in a informal way without maintaining any record of the same. Regular departmental meetings and parent-teacher meeting are conducted by departments. Student's attendance is maintained by all departments. Average percentage of attendance of students in class is above 75%. And for students having low (bellow average) attendance, personal counseling of students, parent-teacher meeting,

personally contacting parents, etc. are done as improvement majors. Examination and evaluation is done by every department as per the rules of the affiliating university. This year, due to covid-19 ICT tools were use for conducting internal examinations. Evidence of class tests in all most all departments is nil; except one department. This year, as new teaching strategies/innovations/technologies most of the departments have adopted online teaching through Google meet, Skype, Zoom, YouTube for theory classes and Virtual Lab for practical classes. Teachers of most of the departments do support students in their learning by providing notes. Record keeping practice of departments is poor.

Suggestions: 1. Teacher-Student ration in departmental level need improvement.

2. Course completion report should be maintained by departments in regular interval to assess the extent of course completion
3. Formal remedial/special/extra classes for slow and advanced learners.
4. Formalization of students counseling by keeping record for the same.
5. Classes tests should be conducted by departments as much as possible.
6. Dropout rate should be minimized.

3. Research consultancy and extension:

Observations: Only one department, i.e. Human physiology, has attempted for publication out of the work done within the department. There is no running major or minor research projects in the departments. Only two departments, i.e. Economics and Sanskrit, have submitted proposals for project, seminars etc. to funding agencies. Five departments, i.e. Chemistry, Human physiology, History, English and Bengali have organized webinars on different topics. One teacher has publication in the UGC CARE listed journal; two teachers have published two books; three teachers have published four articles in edited books. Teachers of all departments have attended different webinars during this year.

Besides the extension activities organized by NCC, NSS, YRC etc. at college level and aforementioned webinars organized by departments, it seems that due to restrictions of pandemic situation, only few departments, i.e. Political Science, Botany and Sanskrit, Bengali, Kokborok have organized extension activities for students at departmental level. Dept. of Botany has gone for field study; Pol. Sc. dept. has organized online quiz and speech

competitions; dept. of Sanskrit has organized creative writing competition, celebrated Sanskrit and Teachers' days; dept. of Benagali has celebrated Internatinal Mother Language day; dept. of Kokborak has observed Kokborok day.

Suggestions: 1. More departments should submit research project proposal to various R&D agencies.

2. Number of teaches publishing research works in journals, books etc., and the number of research papers per teacher should increase.

3. Organizing more extension activities at departmental level is expected.

4. Infrastructure and learning resources:

Observations: Infrastructure and learning resources in college good to some extent, because the college has library with good number of books and digitized; computer lab; digital language lab; one e-study center; five smart classes rooms, etc. But inadequate classes rooms for arts stream. And evidences of expansion in learning resources at departmental level are not observed. **Suggestions:** 1. Classrooms for arts stream.

2. Provision for computers with internet and printer in all departments.

3. Departmental library should be fortified with more number of books.

5. Students support and progression:

Observations: Support facilities for students at college level are reasonably good; except an independent play ground for the college as an urgent need. Total 577 students have been benefited from various schemes of state and central government scholarships this year. Less number of skill and capacity building activities, career and counseling activities, etc. were organized in the college. For timely redressal of students' grievances there is a grievance redressal committee. It seems only 3 students have got placement during this year; but the college or the department has no formal mechanism to record the list of students placed during a year. Total 33 students from various departments (Bengali - 12, Sanskrit - 8, English - 3, Education - 2, Political science - 6 and History - 2) have opted for higher education, that is only 11% of total pass out students. No students have secured any rank in university

examination this year. No students have qualified all India entrance tests, viz. NET SLET etc. There is an Alumni Association of the college that has organized one programme during this year; but there is no alumni association in departmental level.

- Suggestions:**
1. Departments should strive hard to produce university rank holders.
 2. Play ground for college and sports activities of the college should be regularized.
 3. Increase number of capacity building activities, career and counseling activities
 4. Proper mechanism for keeping the record of students placed should be formalized through Placement Cell of the college.
 5. Students' progression to higher education should be increased by motivating students for HE at departmental level.
 6. Every department should have an alumni association.

6. Governance leadership and management:

Observations: Governance, leadership and management at college level is very good. The effect of the same could be seen at the departmental level. HODs of almost all departments are proactive to the quality initiatives of the college administration.

Suggestions: Practice of keeping record for each and every activity at department level may bring a positive impact on the data management of the college.

7. Innovation and best practices:

Observations: During the process of academic audit some departments have presented that their extracurricular activities, viz. seminar, webinar, workshops, publishing wall magazine etc., and encouraging students to participate therein to bring out the best within students as their best practices. Some other departments have highlighted some practices in teaching learning, viz. use of virtual lab for practical, use of e-books, hands on training in laboratory, class tests, and maintenance of course completion reports etc. as their best practices.

Suggestions: 1. Departments must consider on doing something unique beyond the regular teaching learning and extracurricular activities as their best practice.

4. Strength, Weakness, Opportunities/ Challenges:

Strength: 1. Committed faculty members with commitment to develop quality teaching.
2. ICT enabled infrastructures.

Weakness: 1. Less number of class rooms. 2. Inadequate number of teachers in every department. 3. No skill enhancement courses for students. Poor research culture.

Opportunities: 1. Enough scope for optimizing the use of ICT in teaching and learning.
2. Enough scope for producing university rank holders.

Challenges: 1. Placement for passed out students, and maintaining record for the same.
2. Optimizing the rate of students' progression to higher education.

10. WEBINAR/Seminars/Conferences/Workshops

In collaboration with several departments, IQAC annually conducts National and International Webinars. In the Academic Session 21-22 alone about 20 Seminars, Webinars and workshops was conducted.

| Number of Seminars/conferences/workshops conducted by the institution during the year | | | |
|---|---|------------------------|--------------------------|
| Year | Name of the workshop/ seminar | Number of Participants | Date From – To |
| 2021-22 | “Redefining Language in the Modern Digital Era” on 01/07/2021 | 416 | 01-07-21 |
| 2021-22 | Impact of Covid-19 Pandemic on our water resource on 03/07/2021 | 196 | 03-07-21 |
| 2021-22 | TWO DAYS INTERNATIONAL WEBINAR ON “কেরানা অিতমারী ও মানিবকতা ” | 257 | 06-07-2021 to 07-07-2021 |
| 2021-22 | “ROLE OF NUTRITION AND LIFESTYLE CHANGES IN THE MANAGEMENT OF CANCER: THE WAY FORWARD” | 88 | 11-07-21 |
| 2021-22 | Post Covid 19: Efforts, Challenges and opportunity on 17/07/2021 | 93 | 17-07-21 |
| 2021-22 | “Values and Virtues for present Times: Reflection through the Mahabharata” on 02/08/2021 | 192 | 02-08-21 |
| 2021-22 | “RECENET TRENDS IN ECOLOGICAL RESEARCH” | 94 | 30-08-21 |
| 2021-22 | International webinar on “APPLICATION OF NANOTECHNOLOGY IN THE FIELD OF BIOLOGY” | 79 | 12-09-21 |
| 2021-22 | National Level Motivational Talk on “Bhagavad-Gita : Key Source of Moral Values” | 105 | 23-09-21 |
| 2021-22 | “role of biochemistry in basic biological research an integrative approach” on 10/10/2021 | | 10-10-21 |

| | | | |
|----------------|--|------------|--|

INTERNATIONAL WEBINAR ON “REDEFINING LANGUAGE IN THE MODERN DIGITAL ERA”

The Department of English in collaboration with IQAC, Ambedkar College had organized an International Webinar on 1st July, 2021 from 9am onwards on the topic “Redefining Language in the Modern Digital Era” and a total no. of 416 participants had registered for the Webinar from all over the country. The program was inaugurated by Honorable Prof. Arunaday Saha, Former Vice-Chancellor, Tripura University and Chairman State Council for Higher Education, Govt. Of Tripura and the organizing secretary Ms Jacinta Zirsangzeli Darlong presented welcome address to all the participants. The webinar was addressed by eminent scholars and academicians; Prof. Indranil Acharya of Vidyasagar University, Midnapur West Bengal, Associate Prof. Dr. Miazi Hazam of Rajiv Gandhi University, Arunachal Pradesh, Assistant Prof. Dr. Anita Chaudhuri of University of British Columbia, Canada and Assistant Prof. Dr. Ziuziu Iheilung of Fazl Ali College, Nagaland. The resource persons took up the topic of discussion from various aspects of learning by using their experiences and critical reflections on the issue.

Prof. Indranil Acharya discussed the importance of the language as a reflection that envelops time and space throughout the centuries. He explores language as a medium to articulate ideas of the human mind. He elaborately explained about scientific propositions in human language, evolving human brain and change of language indicating the structure of language different from human brain, new approach of thinking by human brain resulting a shift in conventional use of the language and man's cognitive processes, the danger of natural languages along with the emergence of the new technological language. He also dealt on Post Human phase of evolution, image based system of communication and the threats from machine languages using Artificial Intelligence. He concludes his lecture by mentioning some linguistic lab's published list of "Digitally Dead Languages" with 98% Indian languages in the list.

22/7/21
(DR. SUBRATA SHARMA)
Principal In-Charge,
Ambedkar College, Fatikroy
Jhalakati, Tripura.

Associate Prof. Dr. Miazi Hazam at the very outset dwelt upon his views or his perception of the digital influence on the language. He elaborately discussed about the threat or crisis of losing the grip on language in a world where digital technology was beginning to take over as a help for improving language in the form of apps and tech-aids especially in this time of the Pandemic where all activities are shifted to online mode. He further illustrated the three revolutions in language: From the Invention of the Printing Press to Shakespeare's use of and contribution to the English language unto the Digital Influence on language. Further he explained in detail about the confusion over Digital Humanities and what led to the entry of digital technologies in the field of education and the differences between Written and Spoken Language. Through his lecture Dr. Hazam clearly highlighted that the intervention of digitalization in the field of learning has helped in wide dissemination of knowledge by liberating it beyond the confines of the four walls of traditional classrooms and democratized language but at the same time concluded on the fact that being too dependent on technology can make individual lose their inborn ability or skills and agreed to the fact that no amount of technology will be helpful enough without the agency of human teachers.

Assistant Professor Dr. Anita Chaudhuri discussed about the numerous online learning mode, formats and resources digital technology has to offer. She began her lecture highlighting the various platform for online composition practices , multimodal composition and the pedagogical shifts on open educational resources and re-mediation of disciplinary knowledge. She further talked about the flexibility in the teaching-learning and assessment process the digital technology has made and the rhetorical strategy for text development before shifting her focus on the negative aspects or the challenges that the students in digital era faces such as maintaining of study habits, the digital divide, learning curve and the quick turnaround for new assessment practices. Her lecture provided an insight to the immediate need of balancing the use of technology for learning process and the need to draw a line from the threat of misusing these technologies.

Assistant Professor Dr. ZiuZiu Iheilung talked about how the digital revolution has transformed language triggering an explosion of new vocabulary, genre and styles etc. She has observed that in the last 10 years or so there had been a drastic change in language teaching and learning focusing more on the language skills, vocabulary, grammar, critical thinking skills and imaginative skills. Dr. Iheilung discussed about the history of language teaching and learning (Methods) and the various teaching methods which will help learners to distinguish between the formal and informal usages of the language. Digital technology has undoubtedly aided the teaching learning process as a tool for instructions but at the same time has resulted in deteriorating student's competence of reading, writing and speaking. She concludes her lectures by suggesting methods teachers may adopt in order to keep the balance of both the positive and negatives usage of digital technologies.

Towards the end of the lecture session, the resource persons lucidly clarified and answered queries posted by the participants in the chat box. With a positive feedback from the participants, the Webinar concluded with the Presidential address made by Dr. Subrata Sharma, Principal In-charge Ambedkar College.

organizing secretary Dr. Mihir Pal presented the welcome address to all the participants. In the inaugural session, speech from Chief Patron of the webinar sir Sri N.C Sharma, Director, Higher Education, Govt. of Tripura and from the chairman of the organizing Committee Dr. Uday Narayan Adhikary, Principal In-charge, K.N Mahavidyalaya were very inspiring for all of us, as they have reflected several issues related to our water resources in connection with Covid-19 pandemic and the importance of organizing a national level webinar on such a beautiful and relevant topic. Sir N.C Sharma in his informative speech has highlighted several key issues related to the impact of the covid-19 pandemic on our water resources in the national level scenario.

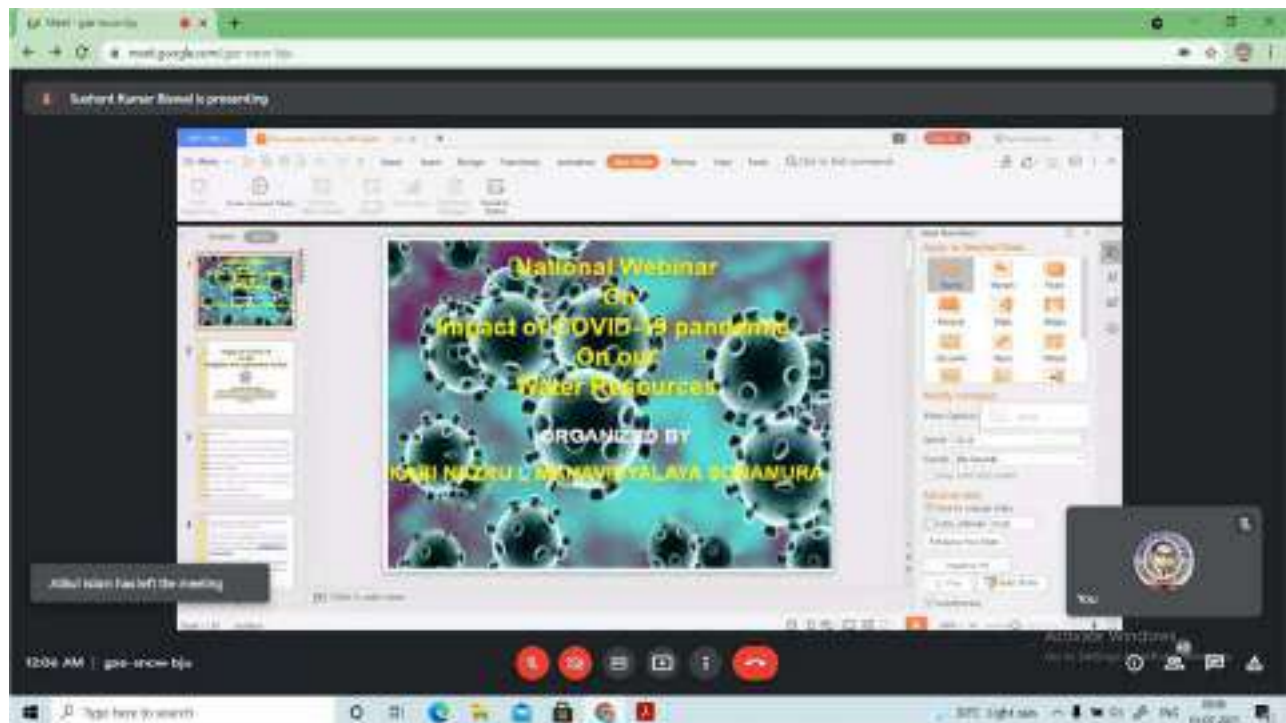

The webinar was addressed by eminent academicians; Prof. (Dr.) Pankaj Kumar Roy, Dean of Jadavpur University and Professor and Joint Director of the Department of School of Water Resources Engineering, Jadavpur University (JU), Dr. Sushant Kumar Biswal, Assistant professor, Dept. of Civil Engineering, NIT, Agartala, Dr. Malabika Biswas Roy, Assistant Professor and Head of the Department of Geography, Women's College Calcutta and Dr. Dipanwita Nag, Medical Officer, ONGC, Tripura Asset.

The resource persons took up the topic of discussion from various aspects of learning by using their views, experiences, and critical reflections on such a vital issue of water resources. Prof. Pankaj Kumar Roy discussed on impact of the Covid-19 Pandemic on our Water, Environment, and Related Ecological system. In his speech he has highlighted on pollution of the Ganga river pollution in West- Bengal and also the Howrah River in Tripura, due to surface runoff of wastewater. He has commented on the increased demand for freshwater from the Indian perspective , with the urban population growth. He has highlighted the roles of the Central Pollution Control Board for the supply of freshwater under quality-controlled conditions throughout entire India and also explained how this activity has become a challenging task for the board in this Covid-19 pandemic situation. He has an expectation that as the COVID-19 period has stopped all the major industrial sources of pollution that affect aquatic systems, Industrial wastewater, crude oil, heavy metals, and plastic disposal into the river have completely stopped. So it is expected that several major Indian rivers including Ganga will be more and cleaner due to second wave lockdown. He has explained very nicely how the different sectors in India including agriculture are being affected directly or indirectly due to the impact of the covid-19 pandemic on our water resources. He also discussed different observable changes of the Covid-19 lockdown on our Ecology and Environment.

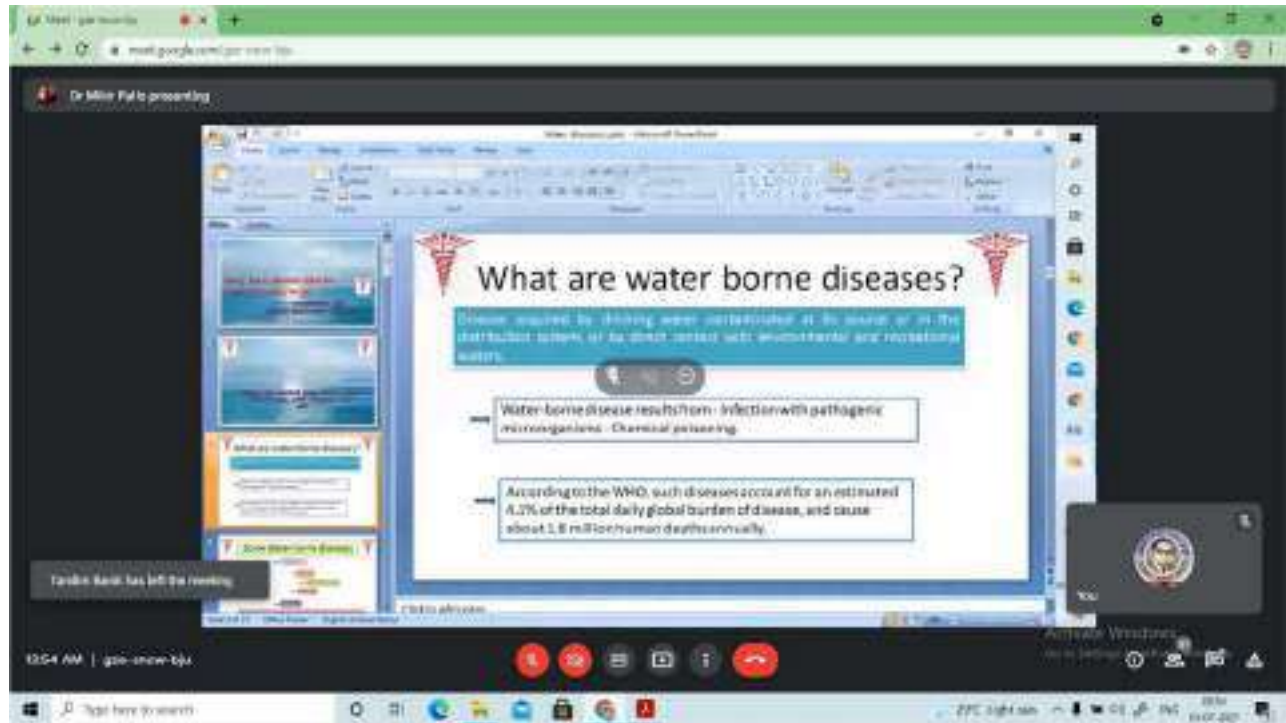

Dr. Sushant Kumar Biswal discussed how the Covid-19 pandemic is affecting the irrigation and agricultural sectors of India. He has commented that the agriculture sector is facing serious challenges due to this pandemic through disruption in the provision of irrigation and agriculture

services by affecting food consumption, production, and distribution. According to him, the Covid-19 situations in rural districts of agricultural states are deteriorating more substantially. He has demonstrated very nicely through the slide show, how the agricultural value is being affected by covid-19 throughout the entire nation. The crop cycle in India has two main seasons-Rabi and Kharif and according to him, both the cycles are severely affected by the lockdown driven by the pandemic. He has also shown how the agriculture sector, in different regions of India, is highly affected due to the impact on production and marketing of related materials in this covid-19 pandemic period. According to him, India must insist on innovative solutions and new policies to ensure that if India emerges in any economic crisis due to the covid-19 issue then it should not only aware of the countries' weakness but also primed to effect the necessary changes.

Dr. Malabika Biswas Roy in her lecture mainly showed how the covid-19 pandemic is affecting our environment and water bodies and related socioeconomic system. In her lecture, she has highlighted the general concept of covid-19 & its outbreak, the impact of covid-19 on the water sector, analysis of the impact of Covid-19 on environmental aspects, and finally the impact of Covid-19 on the socio-economic sector. She showed that as an outcome of several studies this has been found that Water consumption during this Covid-19 pandemic, basically in relation to household works, hand washing, etc. have been increased by 17%. She has highlighted the issue of severe losses on pisciculture in west-Bengal; due to the combined effect of lockdown and cyclones. She also commented in her lecture that the future water demand, mainly for domestic consumption, would be based on how a majority of the population prefer to work in post-Covid -19 periods as there is evidence for increased demand for packaged and or bottled water consumption in global cities. Finally, she has discussed on overall impacts of Covid-19 on the socio-economic scenario.

Dr. Dipanwita Nag talked about different water-borne diseases and discussed the fact that whether Covid-19 is water borne? She has mentioned in her lecture that according to the WHO, water-borne diseases account for an estimated 4.1% of the total daily global burden of disease, and cause about 1.8 million human deaths annually. She has discussed several water-borne diseases and their causes, symptoms, effects, clinical diagnosis, and treatment guidelines. She has shown in various slides that how different pathogens present in water and wastewater are responsible for potential risks to public health. Finally, she has highlighted the issue that whether Covid-19 is waterborne? In this section, she also highlighted the structure of corona virus and show documentary clips about how this virus spreads from person to person to develop a pandemic. In her lecture, this has been explored that SARS-CoV is stable in feces at room temperature for a minimum of 1–2 days and can survive for up to 4 days in stool from diarrheal patients. According to her lecture, SARS-CoV-2 has already been detected in feces raising the possibility of fecal-oral transmission especially during flushing which can aerosolize fecal matter, resulting in airborne transmission and such probability of transmission is high in hospital and quarantine centers settings where toilets are shared. She also commented that corona viruses can survive up to 2–3 days in sewage water and up to 10 days in tap water at 23 °C; however, temperature, organic matter levels, and presence of antagonistic bacteria and oxidants such as chlorine are also the factors for its survival in water. Finally, she concluded that the persistence of the virus in water and sewage is yet to be investigated more before declaring it as waterborne.

Towards the end of the lecture session, the resource persons lucidly clarified and answered queries posted by the participants in the chat box. With positive feedback from the participants, the Webinar concluded with the Presidential address made by Dr. Subrata Sharma, Principal In-charge Ambedkar College. Finally the feedback forms collected from the participants explored that the objective of the webinar was achieved as the overall session discussion benefitted the faculties and research scholars.

TWO DAYS INTERNATIONAL WEBINAR ON “করোনা অতিমারী ও মানবিকতা ”

Date: 6th & 7th July, 2021

The Department of Bengali in collaboration with IQAC, Ambedkar College had organized an International Webinar on 6th & 7th July, 2021 from 12 noon onwards on the topic “ করোনা অতিমারী ও মানবিকতা ” and a total no. of 257 participants had registered for the Webinar from all over the country. The program was inaugurated by Dr. Subrata Sharma, Principal I/C, Ambedkar College, Fatikroy, Unakoti, Tripura. by lighting the holy lamp virtually followed by Rabindra Sangeet and the organizing secretary Mr. Manmohan Debnath presented welcome address to all the participants. The webinar was addressed by eminent scholars and academicians; Prof. Amitava Chakraborty, Department of Modern Indian Languages and Literary Studies, University of Delhi, Dr. Chandan Anwar, Katha Sahitik & Professor, Noakhali Science and Technology University, Bangladesh , Dr. Nirmal Das, Assistant Professor, Dept. of Bengali, Tripura University, Dr. Mohammad sheikh Sadie, Associate Professor, Dept. Of Bengali, University of Chittagong, Bangladesh, Dr. Tanmay Singha Mahapatra, Assistant Professor, (WBES) Govt. General Degree College, Ranibandh, West Bengal, Dr. Malay Deb, Assistant Professor, Dept. of Bengali, Tripura University. The resource persons took up the topic of discussion from various aspects of learning by using their experiences and critical reflections on the issue.

The first day of the programme covered by three invited speakers. At the very outset, the keynote speaker Prof. Amitava Chakraborty, Department of Modern Indian Languages and Literary Studies, University of Delhi explained the history of mankind and with respect to the epidemic and pandemic and how humanity worked and played a significant role in that context especially he focussed on the disaster facing by the people of the world and how they are trying to recover from its adverse effect with humanity.

First day programme was ended with the presidential address given by Dr. Subrata Sharma, Principal I/C, Ambedkar College, Fatikroy, Unakoti, Tripura followed by vote of thanks give by Mr. Tapash Bhowmik, PGT, Dept. of Political Science, Ambedkar College, Fatikroy, Unakoti, Tripura.

In the second day the first speaker was Dr. Mohammad Sheikh Sadie, Associate Professor, Dept. Of Bengali, University of Chittagong, Bangladesh. He confined his deliberation into Covid-19 pandemic and humanity in the context of Bangladesh. The current scenario was depicted in his deliberation very nicely and lucidly.

The second speaker of the second day of the webinar was Dr. Tanmay Singha Mahapatra, Assistant Professor, (WBES) Govt. General Degree College, Ranibandh, West Bengal. He enlightened the participants through his unique presentation by many cartoon pictures related to current Covid -19 situation and its impact in people thinking and its uses in political campaign.

The third speaker of second day was Dr. Malay Deb, Assistant Professor, Dept. of Bengali, Tripura University. He highlighted about literary works and humanity during pandemic period. He also explained how the writers were influenced by this situations and how the writers explored effects of covid-19 through their writings.

Second day programme was ended with the presidential address given by Dr. Zakir Hussain , Assistant Professor, Dept. of Education, Ambedkar College, Fatikroy, Unakoti, Tripura followed by vote of thanks by Dr. Sanjita Das , PGT, Dept. of Bengali, Ambedkar College, Fatikroy, Unakoti, Tripura .

REPORT ON ONE DAY NATION WEBIAR

“ROLE OF NUTRITION AND LIFESTYLE CHANGES IN THE MANAGEMENT OF CANCER: THE WAY FORWARD”

ON 11th July 2021

Department of Human Physiology and NCC of Ambedkar College jointly organized a one day National webinar on “Role of nutrition and lifestyle changes in the management of cancer: The way forward” on 11th July 2021 in online platform (Google meet). The seminar focused on management of cancer by adopting good healthy lifestyles and diet. The programme started sharp at 11:00 am with the inauguration of virtual holy lamp followed by saraswati vandana. The welcome address was given by the convenor **Miss. Anwesha Dey** (guest faculty) Department of Human Physiology. The inaugural speech was given by chief guest of the day **Dr. Rabindranath Bhattacharyya**, former professor Department of Life Science, Presidency University, Kolkata, West Bengal, India.

The journey of webinar initiated with the introductory speech given by the Organising Secretary **Mr. sandipan Das** (guest faculty), Department of Zoology, Ambedkar College. The dignitaries on the dias were **Dr. Debasish Maiti**, professor, Tripura University and **Dr. Raktim Das** of Tezpur Medical College, Assam and Principal In-charge of Ambedkar College Dr. Subrata Sharma.

1st Speaker-Dr. Debasish Maiti, talked about the ‘how the nutrition and lifestyle changes can help in healing of cancer and which type of foods has anticancer properties. He also talked about his on-going research on cancer and also showed some of his research work published in high impact factor journals. He also gave answer to the queries raised by the participants at the end of his lecture.

Figure1: Deliberation of Dr. Debasish Maiti (prof) Tripura University.

2nd Speaker- Dr. Raktim Das of Tezpur Medical College, give special emphasis on understanding the cancer and how to diagnose the initial stages of cancer. He also answered the questions asked by the participants after the completion of his talk.

Figure 2: Dr. Raktim Das of Tezpur Medical College delivering his lecture on cancer prevention.

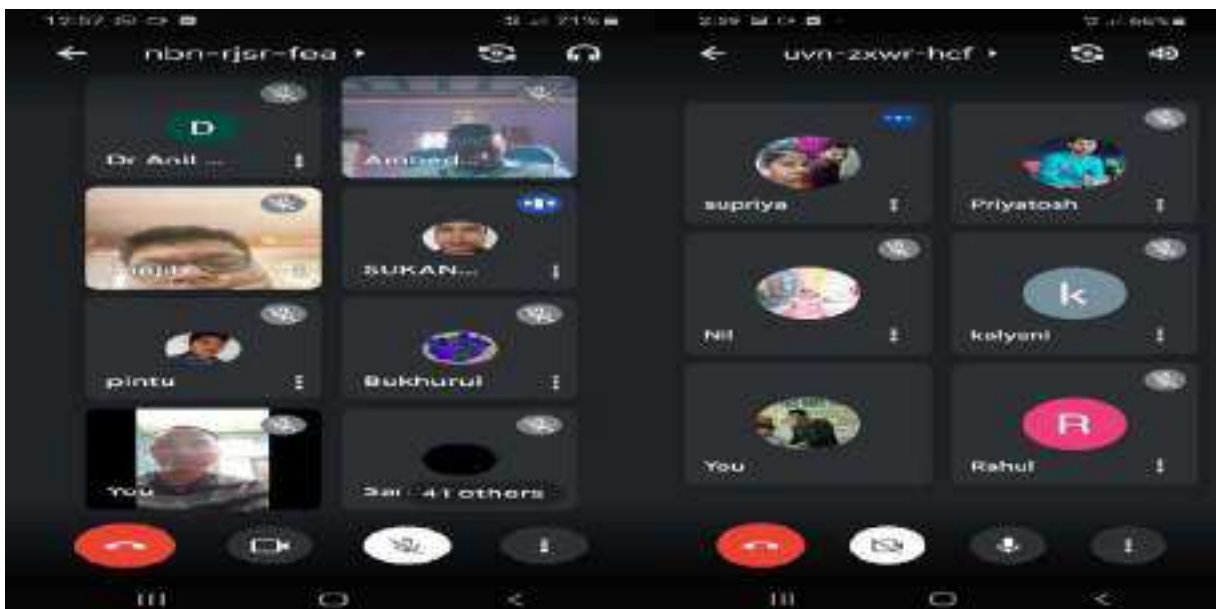

The programme wrapped up around 2:30 PM with the vote of thanks which was given by Dr. Subrata sharma, Principal, Ambedkar College, Fatikroy.

**REPORT
ON
INTERNATIONAL SEMINAR ON POST COVID-19: EFFORTS, CHALLENGES AND
OPPURTUNITIES**

Department of Economics, Ambedkar College could organized INTERNATIONAL SEMINAR ON “POST COVID-19: EFFORTS, CHALLENGES AND OPPURTUNITIES” on 17th July, 2021. Prof, Arundoy Saha, Former Vice chancellor Tripura University and Chairman state Council for Higher Education was invited to deliver a key note address on the topic of the webinar. Dr. Sukanta Sarkar, Associate Professor, Department of Economics, Gambella University, Gambella Ethiopia was invited as a Resource Person of the Webinar. The webinar was blessed with around 42 participants from different degree college of the state as well as from outside the state. The lecture deliver by both the resource person enrich the thought of the participant with such a remarkable idea about how covid-19 crisis has affected societies and economies around the globe and how it will reshape our word as it continues to unfold. They also talk about the economic challenges that the whole word will come across due to the adverse effect of the covid-19 pandemic. The programme schedule for the webinar was accordingly arranged in this manner.

1. Welcome address by: Mr. Lalthlamuana Darlong, HoD ,Dept. of Economics and Organising Secretary of the Webiner
2. Key Note Address by: Prof, Arundoy Saha, Former Vice chancellor Tripura University and Chairman state Council for Higher Education
3. Speech by Resource Person: Dr. Sukanta Sarkar, Associate Professor, Department of Economics, Gambella University, Gambella Ethiopia
4. Presidential Address and vote of Thanks: Dr. Subrata Sharma, Principal In-charge, Ambedkar College Fatikroy.

NATIONAL WEBINAR ON “VALUES AND VIRTUES FOR PRESENT TIMES: REFLECTION THROUGH THE MAHABHARATA”

The department of History in collaboration with IQAC has organized National Webinar on “Values and Virtues for present Times: Reflection through the Mahabharata” on 2nd August 2021. The program was inaugurated by Professor Kiran Choudhury, Regional Director, IGNOU, Regional Centre, Agartala. Welcome address was given by the organizing Secretary Smt. L. Sailo. The webinar was attended by 62 participants. The two resource persons are Dr. Ravi Khangai, Assistant Professor, Post Graduate Teaching, Dept. of History, Rashtrasant Tukadoji Maharaj Nagpur University, and Dr. Geetesh Nirban, Assistant Professor(Senior Scale) In-charge Dept. of Philosophy Kamala Nehru College, University of Delhi.

Dr. Geetesh Nirban whose interests include ethics, Indian Philosophy, environmental philosophy, Mahābhārata, mindfulness and feminism discussed Peace as Inherent Value: Ethical Reflection through Mahabharata. She talks about Mahabharata as a peaceful value and the importance of Mahabharata in our daily life. She also mentions about Mahabharata relation with peaceful life and the life that mankind has to live with.

Dr. Ravi Khangai discussed how the Mahabharata can address the modern day's concern, relationship between language and history, how it says about protection of environment-forest, trees and other non-human animals. He also addressed important questions like

whether Ecodharma is there and whether human being is the master of his surroundings or part of it. He also explores the vast knowledge inside the epic like hunting and curses, kindness to animals and meat eating, perception of forest and trees, the Khandava episode, when the earth is oppressed? and why do the animals and birds speak to humans etc. He also elaborates how kindness to animals could be a great virtue and effects of killing animals. At the end he mentions how to solve the environment problems in the present days by adopting various ways of the Mahabharata.

Towards the end of the session the resource persons answer the query from the participants. The webinar concluded with the Presidential address and a vote of thanks by Dr. Subrata Sharma, Principal In-Charge Ambedkar College.

REPORT ON ONE DAY NATIONAL E-WORKSHOP

“RECENET TRENDS IN ECOLOGICAL RESEARCH”

On 30th August 2021

Department of Zoology and Human Physiology jointly organized a one day National E-workshop entitled as “RECENET TRENDS IN ECOLOGICAL RESEARCH” on 30th August 2021 through online platform (Google meet). The workshop focused on ecological restoration, herpeto fauna of north-east, backyard biodiversity and mapping, so that students can get an insight regarding conducting research in Ecology which will help them in their project preparation as well as in future research career. The programme started sharp at 11:00 am with the inauguration of virtual holy lamp followed by saraswati vandana. The welcome address was given by the convenor **Miss. Anwesha Dey** (guest faculty) Department of Human Physiology. The inaugural speech was given by chief guest of the day **Dr. Shubhadeep Roychoudhury**, former research fellow in Urology Cleveland clinic USA. He is currently working as an assistant professor in the Department of Life Science and Bioinformatics, Assam University, Silchar.

The journey of E-workshop was initiated with the introductory speech given by the convenor **Mr. sandipan Das** (guest faculty), Department of Zoology, Ambedkar College. The dignitaries were **Dr. Shubhadeep Roychoudhury**, **Dr. Mitrajit Deb**, **Jayaditha Purkayastha** and Principal In-charge of Ambedkar College **Dr. Subrata Sharma**.

Figure 1: Flyer of the National E-Workshop: Recent Trends In Ecology

Chief Guest- Dr. Shubhadeep Roychoudhury, was the chief guest of the E-workshop. He talked about how the urbanization is destroying our nature and how we can save our earth. He also describe about the planning that were taken by the various organisation worldwide for saving our earth from the manmade destruction. He also added how destruction of nature impacting on health hazards like pandemic, epidemic etc. He also talked about his on-going research on ecology and also showed some of his research work published in high impact factor journals. He also gave answer to the queries raised by the participants at the end of his lecture.

Figure2: Deliberation of Dr. Shubhadeep Roychoudhury on Ecological restoration

1st invited Speaker- Dr. Mitrajit Deb assistant professor of Assam Royal Global University gave a special emphasis on understanding the backyard biodiversity and discussion how a normal person can contribute to ecology to become a citizen scientist, he also take a special hands on session regarding deposition of species in national website and also discuss about the field guide that can help student during field visit. He also answered the questions asked by the participants after the completion of his talk.

Figure 3: Dr. Mitrajit Deb delivering his lecture on backyard biodiversity.

2nd Invited Speaker: Dr. Jayaditha Purkayatha one of the successful herpetologist of North-east India has presented his work in today's workshop. He encourages students to choose herpetological research seriously as these animals have a great impact on human life. He also took a hands-on session and also solved the queries raised by the participants.

Figure 4: Deliberation of Dr. Jayaditha Purkhayastha on herpeto fauna of NE India.

The programme wrapped up around 2:30 PM with the vote of thanks which was given by Dr. Subrata sharma, Principal, Ambedkar College, Fatikroy.

REPORT ON ONE DAY INTERNATIONAL E-CONFERENCE

“APPLICATION OF NANOTECHNOLOGY IN THE FIELD OF BIOLOGY”

On 12th September 2021

Department of Human Physiology and Zoology jointly organized a one day International E-conference entitled as “**APPLICATION OF NANOTECHNOLOGY IN THE FIELD OF BIOLOGY**” on 12th September 2021 in online platform (Google meet). The conference focused on application of nanotechnology in the field Life Sciences so that students can get an insight about the application atomic force microscope, electron microscopes etc. on biological samples. The chief guest of the E- conference was Prof. Jogen Chandra Kalita, Head, Department of Zoology, Guhati University, Assam. Second invited speaker was from the Vellore Institute of Technology he talked about drug designing and third speaker from Germany, she mainly focused on microscopic techniques that are available now day for evaluation of cells in molecular level. The programme started sharp at 11:00 am with the inauguration of virtual holy lamp followed by saraswati vandana. And after that Rabidnra Sangeet was sung by students of Biological Sciences. The welcome address was given by the convenor **Miss. Anwesha Dey** (guest faculty) Department of Human Physiology. The inaugural speech was given by chief guest of the day Prof. Jogen Chandra Kalita. The whole programme was moderated by the guest faculty **Sandipan Das**. The journey of E-conference initiated with the introductory speech given by the convenor **Mr. sandipan Das** (guest faculty), Department of Zoology, Ambedkar College.

INTERNATIONAL E-CONFERENCE ON APPLICATION OF NANOTECHNOLOGY IN THE FIELD OF BIOLOGY

TIME: 11 AM ONWARDS
DATE: 22nd SEPTEMBER 2021

Chief Guest- Prof. Jogen Chandra Kalita, was the chief guest of the E-conference he talked about the ‘how endocrine disruptors like BPA and other toxicant causing infertility in modern society. He also describe about the planning that were taken by the various organisation worldwide for minimizing the effect of environmental as well as human made toxicants and their genotoxicity. He also added how destruction of nature impacting on health hazards like pandemic, epidemic etc. He also talked about his on-going research on endrology and also showed some of his research work published in high impact factor journals. He also gave answer to the queries raised by the participants at the end of his lecture.

1st invited Speaker- Dr. Sanjit Kumar, assistant professor of Vellore Institute of Technology talked about bioseparation of macro and micro molecules by various separation techniques and also discussed about drug designing and screening. He also answered the questions asked by the participants after the completion of his talk.

2nd Invited Speaker: Dr. Arpita Roychodhury is one of the successful scientist, she now worked in Adlershof, Germany She encourages students to choose biophysics as a field of research.

Vote of thanks: The vote of thanks was given by our Principal-In charge Dr. Subrata Sharma.

At the end of the session with national anthem the organising team conclude the E- conference.

Figure 4: Deliberation of Dr. Jayaditha Purkhayastha on herpeto fauna of NE India.

The programme wrapped up around 2:30 PM with the vote of thanks which was given by Dr. Subrata sharma, Principal, Ambedkar College, Fatikroy.

GUIDENCE & COUNSELING CELL REPORT 2021-22

Report of National Level Motivational Talk on **“Bhagavad-Gita : Key Source of Moral Values”** organized by Guidance and Counseling Cell, 2021
Ambedkar College , Fatikroy, Tripura

The Guidance and Counseling Cell organized a motivational talk programme on 23rd September 2021 in the Seminar Hall of the college. The Objective for organizing the programme was to instill in the students the moral values significant to establish a balanced behavior in their personal, social and spiritual life.

The Programme began with the lighting of the holy lamp by the Chief Guest and resource person Dr. Geetesh Nirban followed by Sri. Dipak Ranjan Pal, Resource Person and the President of the programme Dr. Subrata Sharma, Principal-In-charge Ambedkar College Fatikroy. A welcome song was presented by the students of the college followed by a welcome address from the organizing secretary Mrs. Jacinta Darlong. Thereafter, time was given to the resource persons to deliver their lectures and enlighten the students & staffs on the topic. The programme concluded with a vote of thanks by the President of the programme Dr. Subrata Sharma; Principal-In-charge Ambedkar College Fatikroy to the resource persons, students and staffs for their kind and enthusiastic support to make the programme a grand success. The programme was well attended by 105 students of the college.

Order of the programme

Feliciatation of the Guest

Inauguration by lighting of the holy lamp

Welcome song by: Students of Ambedkar College

Introduction of the Dignitaries and Welcome address by :Mrs Jacinta Darlong,Convener Guidance and Counselling Cell

Lecture on the topic: Dr.Geetesh Nirban, HOD Dept. of Philosophy, Kamala Nehru College, University of Delhi

Lecture on the topic : Sri. Dipak Ranjan Pal, Retd. Headmaster.

Presidential address : Dr. Subrata Sharma Principal-In-charge Ambedkar College.

Few glimpse of the event are given below:

REPORT ON ONE DAY NATION E-SEMINAR

“ROLE OF BIOCHEMISTRY IN BASIC BIOLOGICAL RESEARCH-AN INTEGRATIVE APPROACH”

On 10th October 2021

Department of Zoology of Ambedkar College organized a one day National E-seminar on **ROLE OF BIOCHEMISTRY IN BASIC BIOLOGICAL RESEARCH-AN INTEGRATIVE APPROACH** on 10th October 2021 in online platform (Google meet). The seminar focused on how to conduct research in Biology with special reference to Biochemistry. The programme started sharp at 11:00 am with the inauguration of virtual holy lamp followed by saraswati vandana. The welcome address was given by the convenor **Miss. Arpita Paul** 5th semester student of Department of Zoology. The inaugural speech was given by **Sanjib Choudhury** associate professor of Department of Chemistry of Ambedkar College Fatikroy.

The journey of webinar initiated with the introductory speech given by the Organising Secretary **Mr. sandipan Das** (guest faculty), Department of Zoology, Ambedkar College. The dignitaries on the dias were **Dhaval Bhatt**, former faculty at Gyanmanjuri Science College Gujrat. **Miss Anwesha Dey** guest faculty of Department of Human Physiology, Ambedkar College and Principal In-charge of Ambedkar College Dr. Subrata Sharma.

1st Speaker- Mr. Dhaval Bhatt talked about the “growth index and biochemical parameters of the potential aquaculture candidate in India Mugli cephalus”. He has 5 publications in top most journal of India and abroad. He also gave answer to the queries raised by the participants at the end of his lecture.

NATIONAL E-SEMINAR ON
"ROLE OF BIOCHEMISTRY IN BASIC BIOLOGICAL RESEARCH – AN INTEGRATIVE APPROACH"
 at Department of Zoology, Ambedkar College, Fatikrui, Tripura
 

GROTH INDEX AND BIOCHEMICAL PARAMETERS OF THE POTENTIAL AQUACULTURE CANDIDATE IN INDIA:

♦ INTRODUCTION

- Oceans & major seas constitute approximately 71% of Earth's surface, with a **coastline** of approximately 1.6 million km of 123 countries.
- The Indian ocean covers approximately 29% of total ocean (Venkatraman & Raghunathan, 2015).
- **India**: surrounded by 3 distinct marine ecosystem zones.
- An approximate 8000 km long coastline

2

Figure1: Deliberation of Mr. Dhaval Bhatt, Gyanmanjuri Science College Gujrat.

2nd Speaker- Miss Anwesha Dey give a special emphasis on understanding the poly cystic ovarian syndrome and how to diagnose the initial stages of PCOS. She also answered the questions asked by the participants after the completion of his talk.

The programme wrapped up around 2:30 PM with the vote of thanks which was given by Dr. Subrata sharma, Principal, Ambedkar College, Fatikroy.

Report on Awareness Programme on “SCIENCE AND TECHNOLOGY FOR SUSTAINABLE DEVELOPMENT AND WOMEN EMPOWERMENT”, Catalyzed and Funded by ISCA, Dharmanagar Chapter.

On 27th November 2021 Ambedkar College has organized one day Awareness Programme on “SCIENCE AND TECHNOLOGY FOR SUSTAINABLE DEVELOPMENT AND WOMEN EMPOWERMENT”, Catalyzed and Funded by ISCA, Dharmanagar Chapter.

The programme started with lightning of holy lamp by the Inaugurator Sri Bhagaban Ch. Das, Hon’ble Minister, Department of SC Welfare, ARDD & Labour along with Principal and other dignitaries. Inaugural song was presented by the students of the Science Departments.

First of all, the dignitaries were felicitated in a traditional way the students of the college. The organizing Secretary of the programme, Sri Abhijit Datta delivered the welcome speech while the Inaugurator enlightened the audience with his valuable speech on women empowerment and related issues. At the end of the inaugural session the vote of thanks was delivered by the Principal I/C, Dr. Subrata Sharma.

In the second phase of the programme, the technical session strated with the speech of Dr Manik Bhattacharjee, Convener, ISCA, Dharmanaghar Chapter who discussed the role of science and technology in relation to sustainable development and women empowerment extensively.

Next to ISCA co-ordinator, the other resource person from ISCA, Dr. Suman Adhikari gave emphasis on some of the points of the topic of the awareness programme.

Awareness Programme on Intellectual Property (IP) in form of a
Webinar on Different Aspects of Intellectual Property

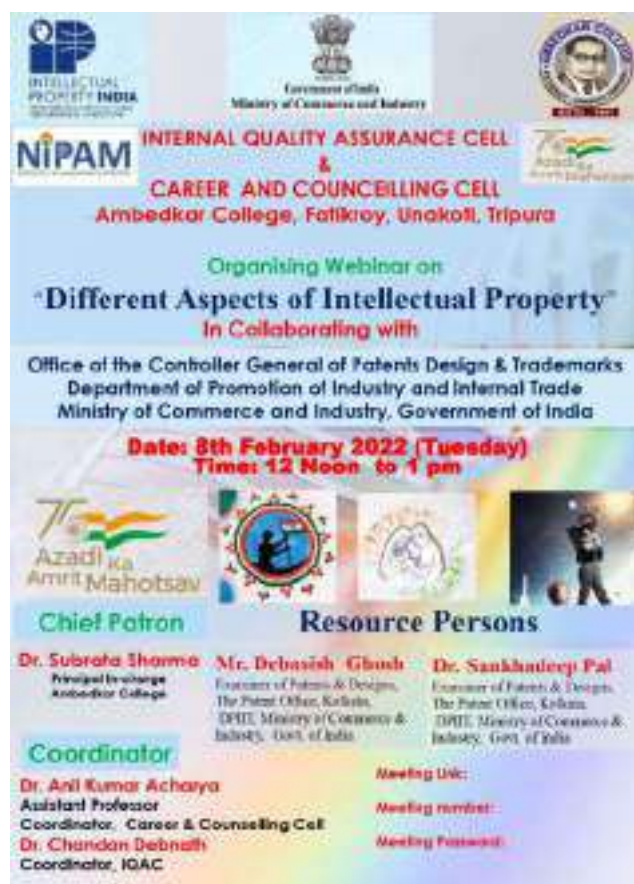

Organized by

Internal Quality Assurance Cell & Career and Counseling Cell, Ambedkar College,
Fatikroy, Unakoti, Tripura
in collaboration with

Office of the Controller General of Patents, Design & Trade Marks, Kolkata
on 08/02/2022

Background: On receipt of the letter No. POK/NIPM/2021, dated 26/01/2021 from the Office of the Controller General of Patents, Design & Trade Marks, Kolkata, through an e-mail on 27/01/2022 from Dr. Sankhadeep Pal, Examiner of Patents and Designs & NIPAM officer, Patents Office, Kolkata, regarding conducting of online/offline/hybrid awareness programme on Intellectual Property Rights (IPR) among the students of our college, Dr. Subrata Sharma, Principal in-charge of Ambedkar College, Fatikroy, Unakoti, Tripura, did send a consent letter to Patent Office, Kolkata, expressing willingness to organize an awareness programme in the form of a Webinar on IP on 08/02/2022.

Event Details: On the abovementioned background Principal in-charge of Ambedkar College, Fatikroy, did appoint two co-coordinators, viz. Dr. Chandan Debnath, Assistant Professor in Physics and Coordinator IQAC, and Dr. Anil Kumar Acharya, Assistant Professor in Sanskrit and Coordinator Career & Counseling Cell, for making necessary arrangements for the Webinar. Consequently for wide circulation of the news among students a flyer and a Google form for registration were prepared and circulated in the WhatsApp groups of different subjects created for students of the college. Total 117 students and 13 Teachers

did registrar for the said programme through Google form.

The webinar was hosted by IP office, Kolkata, through Webex online platform on 08/02/2022 at 11:50 A.M. All together 51 students attended the programme. The programme started with the introductory note of Mrs. Jacinta Darlong, A/P, Dept. of English, Ambedkar College. And after that inaugural address was delivered by Dr. Subrata Sharma, Principal i/c of the college. Following that there was a brief speech of Dr. Sankhadeep Pal, Examiner of Patents and Designs & NIPAM officer, Patents Office, Kolkata, and thereby introduced Mr. Debashish Ghosh, the resource person of the programme from IP office, Kolkata, to the participants. Then Mr. Ghosh took a lecture session on different forms of IP and other associated matters very briefly within 50 minutes. Followed by was a Q&A session, in which both Dr. Pal and Mr. Ghosh clarify doubts of participants on IP. The programme comes to an end with the customary vote of thanks given by Dr. Anil Kumar Acharya.

DEPARTMENT OF CHEMISTRY
AMBEDKAR COLLEGE, FATIKROY, UNAKOTI, TRIPURA
A BRIEF REPORT ON NATIONAL SEMINAR HELD ON 24TH JANUARY, 2022

TITLE:- “APPLICATION OF NON-MATERIALS FOR ENVIRONMENTAL REMEDIATION- A FOCUS ON RECENT DEVELOPMENT”

Organised By:-

Department of Chemistry in collaboration with IQAC, Ambedkar College.

President of the Webinar:-

Dr. Subrata Sharma, Hon'ble Principal I/C, Ambedkar College, Fatikroy

Chief Patron:-

Shri N.C.Sharma, Hon'ble Director, Department of Higher Education, Govt. of Tripura

Convener:-

Dr. Manish Nandi, Assistant Professor, Dept. of Mathematics, A.C, Fatikroy

Joint Convener:-

Dr. Chandan Debnath, Assistant Professor, Dept. of Physics, A.C, Fatikroy

Organising Secretary:-

Sri Sanjib Choudhuri, Associate Professor, Dept. of Chemistry, A.C, Fatikroy.

Total Registered Participants:- 165 Nos.

Brief Report:- On 24th June, 2022, The Department of Chemistry in collaboration with the IQAC, Ambedkar College, Fatikroy had organised a National Seminar on “Application of Non-Materials for Environmental Remediation- a focus on Recent Development” at 12 Noon. The Topic was selected keeping in mind the up growing popularity of Nano-Materials in almost every field including Environmental Remediation.

In keeping the tradition of our culture and heritage, the webinar started at 12.05 AM, with the formation of Virtual Dias followed by the lightning of the virtual of the lamp by **Dr. Subrata Sharma, Hon'ble Principal** Sir followed by a time needed multi-lingual song, ‘We Shall Over Come’ with a hope to boost the participants to make attentive.

Sri Sanjib Choudhuri, Organizing Secretary for this webinar delivered the Welcome Address.

With nice introduction of the eminent resource persons one by one by the host Smt. Jacinta Darlong, Asst. Professor in English, A.C, Fatikroy, the 2nd session of discussion on the topic was started.

At the outset, our first Eminent & Distinguished Resource Person, **Dr. Siddhartha Shankar Dhar, Associate Professor, Department of Chemistry, NIT, Assam** presented his discussion on **“The Recent Research Works on the Application of Nano-Materials for Environmental Remediation”**. On his discussion he mainly focused on:-

Chemical Exfoliation, Thermal Exfoliation, Liquid Exfoliation, Modifications to improve efficiency, optoelectronic properties, doping in constructing heterojunctions, coupling with Carbonaceous Materials, Fabrication of Nanostructured NIO/WO₃ with graphite Carbon Nitride for visible light driven photocatalytic hydroxylation of benzene and metronidazole degradation, Trans Esterification of Soyabean Oil, Synergic Effect of Metal Complex and dual Doped Graphite Carbon Nitride for Superior photo-catalytic Hydrogen Evolution etc.

Our second Eminent Resource Person **Dr. M.A Zaman, Associate Professor, Dept. of Chemistry, NIT, Silchar, Assam** discussed on, **“Water Pollution and Application of Nano-Materials to minimize it”**. He mainly focused on:-

Sources of Water, Sources of Surface Water, Characteristics of Water and Waste Water, Impurities in Water and its Sources, Hardness of water and its causes, Chemical Oxygen Demand(COD), Experimental Determination of COD, Advantages & Disadvantages of COD Test, Biochemical Oxygen Demand(BOD) & its Determination, Wastewater Treatment Unit Operations and processes, Treatment of Water for Domestic Purpose, Adsorption Process, Nano adsorbents and type of Nano Materials used in Nano Adsorbants, Low Cost Water Filter using Corncobs etc.

The webinar ended by Dr. Subrata Sharma, Hon'ble Principal I/C, Ambedkar College and the President of Today's Seminar with nice and excellent sum-up Presidential Address covering and highlighting the topics discussed by our Resource Persons and thanking all the dignitaries and participants.

National Webinar on

“Implementation of NEP-2020 in North East India: Opportunities and Challenges”

Date: 02/03/2022 (Wednesday) at 02:00 pm

Organised by: Deptt. of Education,
Ambedkar College, Fatikroy,
Unakoti, Tripura.

Abstract of proceedings:

In collaboration with IQAC, the Department of Political Science has organized the International Webinar On War in Ukraine: National or Global Cataclysm. The HoD, Dr Dipikanta Chakraborty has taken the initiative to organise the programme with a view to understand the present world crisis due to the Russia- Ukraine war. Honourable Principal in – Charge Dr Subrata Sharma graced the event and gave the vote of thanks. The online gathering was further charmed by the researchers from different parts of India and Bangladesh as well. The students have enthusiastically participated in the session.

Convenor(s): Dr Dipikanta Chakraborty, Head, Department of Political Science, Ambedkar College, Fatikray, Tripura.

REPORT ON NATIONAL LEVEL ONLINE QUIZ COMPETITION ON INTELLECTUAL PROPERTY RIGHTS (IPR)

Date: 10th July 2021

Expert Details: 1. **Dr. Satyajit Das**, Assistant Professor & HoD/In-charge, Department of Political science

2. **Dr. Chandan Debnath**, Co-ordinator, IQAC & HoD/In-charge, Department of Physics

Title of Activity: Online Quiz competition

Organisation/Department: Political science and IQAC

Date: 10th July 2021

Time: 10:00 A.M. To 11:00 A.M.

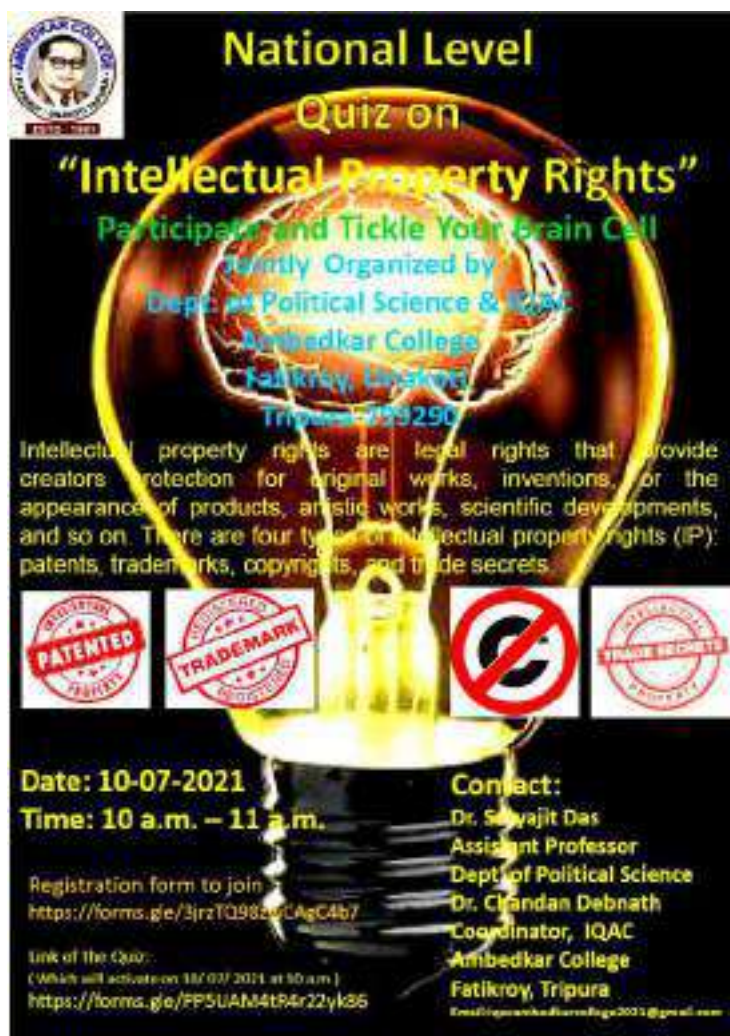

Platform used: Google Quiz form used

Purpose and Objectives: A golden opportunity especially for students of all discipline to explore and improve their knowledge on IPR. Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, quizzes redefine the education system in significant ways.

Brief details of the event highlight: Department of Political science and IQAC, Ambedkar college, Fatikroy successfully conducted a National Level Online Quiz competition on Intellectual Property Rights (IPR) on 10th July 2021 for the students and faculties of all the streams.

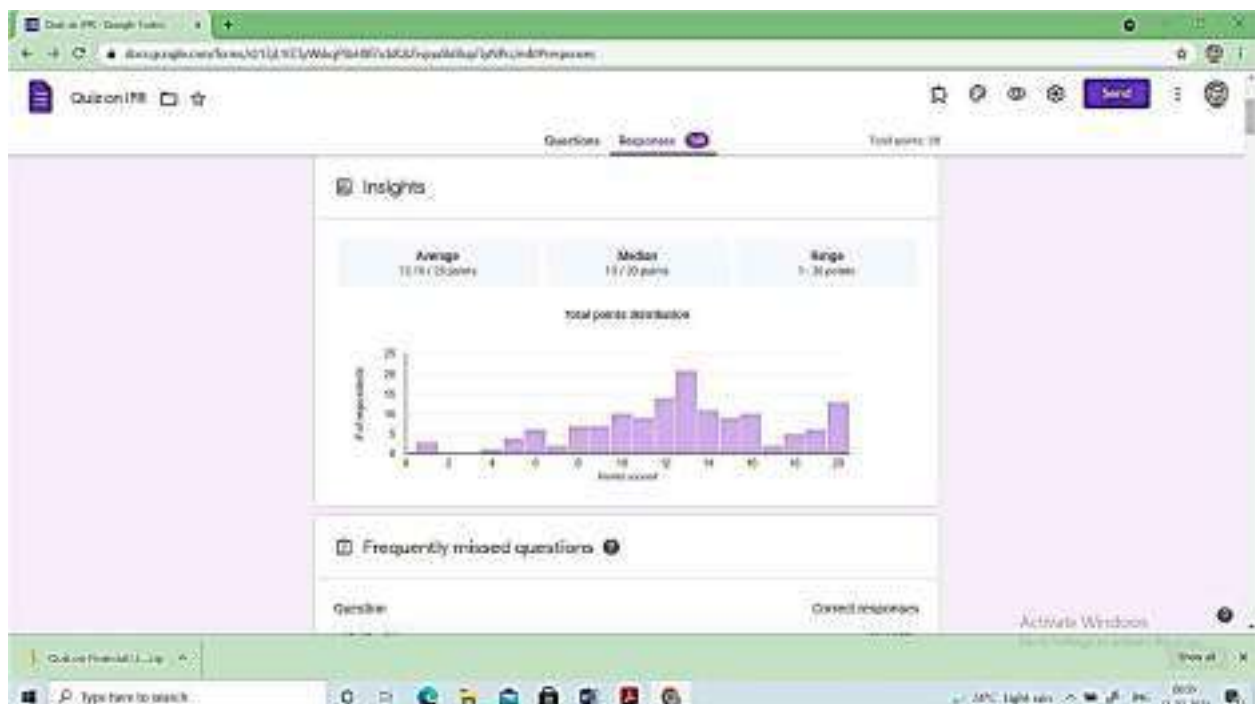

The response of the Participants: The participants enthusiastically participated and showcased their brilliance. Though some of the questions were very tricky, the participants tried to answer them with confidence. They found this competition very informative and knowledge enriching. About 325 participants registered for the Quiz, and only 140 no. of participants submit their answer within time.

Outcomes and objectives achieved: This National level online Quiz helped the participants identify what they know and what they don't know. The participants then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.

Recommendations for future improvements: The future of online quizzing lies in our desire to transform learning for our students. While the tools are in abundance, the focus needs to be on the content. Quizzing is not just about GK but about connecting the dots, reading between the lines and arriving at a conclusion.

The screenshot shows a Google Forms interface for a quiz. At the top, the browser address bar shows the URL: https://docs.google.com/forms/d/1c5t8y3qWANE-PC0Uy3L_Yt5HMa20Q/edit. The form title is "IPR quiz Registration form". The form header features an illustration of books and a magnifying glass. The main title of the quiz is "National level Quiz on 'Intellectual Property Rights'". Below the title, it states: "Jointly Organized by Dept. of Political Science & IPRC, Noida College, Patna, Bihar, Tripura-796293" and "Date: 18-10-2021 Time: 10 a.m. - 11 a.m.". There is a section for "NAME OF THE PARTICIPANT" with a text input field and a "Short answer text" label. The bottom of the screen shows the Windows taskbar with the search bar and various application icons.

REPORT ON ONE DAY E-WORKSHOP ON ACADEMIC WRITING

HELD ON 13th August 2021

Department of Human Physiology and Department of Zoology jointly organized a one day e-workshop on Academic Writing on 13th August 2021 in online platform (Google meet). The workshop focused on proper way of writing original articles, review articles, systematic review, meta-analysis, book chapters and assignments etc. The programme started sharp at 11:00 am with the inauguration of virtual holy lamp followed by saraswati vandana. The welcome address was given by the convenor **Miss. Anwesha Dey** (guest faculty) Department of Human Physiology. The inaugural speech was given by chief guest of the day **Dr. Atish Chandra Ghosh**, principal of Rajabirendra Chandra College, Kandi, Murshidabad, West Bengal India. Total 54 number students participated in the workshop.

CELEBRATION OF SARASWATI PUJA 2022

Following the established tradition of worshipping Goddess of Learning in the educational institutions, Saraswati Puja was celebrated in the college on 5th February 2022. Almost all students and teachers participated enthusiastically in the programme.

PHOTO

INTERNATIONAL MOTHER LANGUAGE DAY 2022

To observe the International Mother Language Day the department of Bengali in collaboration with Dept. of English, Kokborok and Sanskrit of Ambedkar College, Fatikroy, Tripura, organized a program on 21/02/2022, Monday, in the seminar hall of the college. In that, faculty members and students of abovementioned departments of the college were present. The program starts with the customary lighting of the holy lamp by guests, viz. Dr. Subrata Sharma, Principal i/c; Dr. Sanjita Das, HOD Bengali Dept.; Mr. Manmohan Debnath, Assistant Professor, Dept. of Bengali; Mrs Jacinta Darlong, HOD Eng. Dept.; Dr. Anil Kumar Acharya, HOD Sanskrit Dept. and Mr. Amit Debbarma, Guest Lecturer, Dept. of Kokborak. Followed by was the inaugural song by the students of Bengali department. There after speeches were delivered by above mentioned guests. Besides, Dr. Anupam Mallik, HOD, Dept of Philosophy, did recite a song in the context of Bengali language movement. In this program Goutam Das, students of Bengali department recited Bengali poems, Puja Majhi, student of Bengali department, presented a Bengali song, students of Kokborok department sung a Kokborak song, student of English department sung song in Darlong language. The program comes to an end by observing one minute silence in respect of martyrs of Bengali language movement. Total 11 teachers and 42 students attended the programme.

05

KABI NAZRUL JAYANTI 2022

Bidohi Kabi Nazrul Jayanti, Birth anniversary of poet Kazi Nazrul Islam, was celebrated on 27th May 2022 in the college auditorium. The programme begins with lighting of the holy lamp and followed by the speeches of speakers - Dr. Sanjita Das, HOD, Dept. of Bengali; Mr. Sanjoy Das, HOD in-charge, Dept. of Education; and Mr. Manmohan Debnath, Asstt. Prof., Dept. of Bengali. Students performed dance on Nazrul song and some recited poems of *Bidrohi Kabi* on this occasion. Total 134 students and teachers were present in this programme.

06

VARSHA MANGAL UTSAV 2022

The *Varsha Mangal Utsava*, a rain festival formally introduced by Rabindranath Tagore in 1928 at Shanti Niketan to celebrate the monsoons. Following the same tradition *Varsha Mangal Utsava* was organized by the cultural committee of the college on 15/06/2022. A lively cultural programme was organized on this occasion, where in solo song, group song, group dance, drama, and recitation were performed by students of the college. Dr. Subrata Sharma spoke at a length on this occasion, and other teachers were presents in the programme. Total 151 students were present on that day.

**राष्ट्रीय स्तर का विशेष व्याख्यान कार्यक्रम
योग का 8वां अंतर्राष्ट्रीय दिवस मनाने के लिए
27/06/2022**

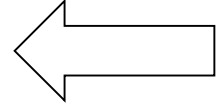

27 जून, 2022, सोमवार को योग के 8वें अंतर्राष्ट्रीय दिवस के उपलक्ष्य में एक राष्ट्रीय स्तर का विशेष व्याख्यान कार्यक्रम, संस्कृत विभाग, अंबेडकर कॉलेज, फातिक्रोय, उनाकोटी, त्रिपुरा द्वारा आयोजित किया गया था, और भारतीय दार्शनिक अनुसंधान परिषद (ICPR), नई दिल्ली, द्वारा प्रायोजित किया गया था। कार्यक्रम का आयोजन दोपहर 12 बजे कॉलेज के सभागार में किया गया। श्री उत्पल दत्ता, योग शिक्षक, कुमार भास्कर वर्मा संस्कृत और प्राचीन अध्ययन विश्वविद्यालय, असम, और श्रीमती रंजना सिन्हा, सहायक प्रोफेसर, शारीरिक शिक्षा और योग विभाग, ICFAI

विश्वविद्यालय, अगरतला, को इस कार्यक्रम के लिए संसाधन व्यक्तियों के रूप में आमंत्रित किया गया था। डॉ. सुब्रत शर्मा, प्रिंसिपल, अंबेडकर कॉलेज, ने कार्यक्रम की अध्यक्षता की, डॉ अनिल कुमार आचार्य, सहायक प्रोफेसर और एच.ओ.डी, संस्कृत विभाग ने आयोजन सचिव के रूप में कार्य किया, और डॉ. दीपिकाकांता चक्रवर्ती, सहायक प्रोफेसर, राजनीति विज्ञान

विभाग, ने कार्यक्रम का संचालन किया।

कार्यक्रम की शुरुआत विशिष्ट अतिथियों के मंच पर निमंत्रण और संस्कृत विभाग के छात्रों द्वारा फूलों के गुलदस्ते के साथ उनका स्वागत करने के साथ होती है।

तत्पश्चात संस्कृत विभाग प्रज्वलन मंत्र के जाप प्रज्वलित कर विधिवत उद्घाटन गीत के रूप में सरस्वती वंदना (देवी इसके बाद त्रिपुरा के और अंबेडकर कॉलेज के कर अतिथियों का अभिनंदन किया गया। तत्पश्चात डॉ. अनिल कुमार आचार्य ने अतिथियों का परिचय दर्शकों से कराया और कार्यक्रम के आयोजन की पृष्ठभूमि का उल्लेख करते हुए अपना स्वागत भाषण दिया और उसमें उपस्थित सभी लोगों का स्वागत किया।

के विद्यार्थियों द्वारा दीप के साथ अतिथियों द्वारा दीप दीप प्रज्वलित किया गया। संस्कृत विभाग के छात्रों ने सरस्वती की प्रार्थना) गाया। पारंपरिक आदिवासी उत्तरीय प्राचार्य द्वारा स्मृति चिन्ह भेंट

श्रीमती रंजना सिन्हा व श्री उत्पल दत्ता को उत्तरिय व स्मृति चिन्ह देकर किया सम्मानित करते प्रधानाचार्य

श्रीमती रंजना सिन्हा ने स्वास्थ्य, खुशी और सद्भाव के लिए योग पर व्याख्यान दिया। उन्होंने अपने जीवन के अनुभव को साझा करते हुए बताया कि कैसे योग ने उनके जीवन में एक महत्वपूर्ण भूमिका निभाई है और उन्हें आज की स्थिति में बदल दिया है। उन्होंने सभी के लिए विशेष रूप से कॉलेज के छात्रों के लिए योग की आवश्यकता के बारे में भी बताया। अपने भाषण में उन्होंने विभिन्न स्तरों पर योग के प्रभाव के बारे में विस्तार से बताया। शारीरिक, मानसिक, बौद्धिक आदि। वह प्राणायाम का अभ्यास करके मन को नियंत्रित करने की क्रिया को प्रदर्शित करने के साथ अपना भाषण समाप्त करती है।

श्रीमती रंजना सिन्हा अपना व्याख्यान दे रही हैं

श्री उत्पल दत्ता ने वर्तमान समय में योग का महत्व विषय पर बात की। अपने भाषण में उन्होंने चार मुख्य बिंदुओं पर जोर दिया, जैसे। मानव जीवन में शांति और सद्भाव के लिए उचित व्यायाम, उचित आराम, मध्यम आहार और सकारात्मक सोच। साथ ही विद्यार्थियों को आठ पथों के बारे में भी समझाएं। पतंजलि द्वारा प्रचारित योग के यम, नियम, आसन, प्राणायाम, प्रत्याहार, ध्यान, धारणा और समाधि। इसके अलावा, उन्होंने शरीर को फिट रखने के लिए कुछ दैनिक योगाभ्यास का प्रदर्शन किया। उनका व्याख्यान उसमें उपस्थित सभी प्रतिभागियों द्वारा हँसी के योग अभ्यास के साथ समाप्त होता है।

श्री उत्पल दत्ता अपना व्याख्यान देते हुए

श्री उत्पल दत्ता योगाभ्यास का प्रदर्शन करते हुए

श्री उत्पल दत्ता के व्याख्यान के बाद, डॉ. सुब्रत शर्मा ने अपना अध्यक्षीय भाषण दिया। उन्होंने अपने भाषण के माध्यम से वहां मौजूद छात्रों और शिक्षकों से व्यक्तिगत और सार्वजनिक जीवन में शांति और सद्भाव लाने के लिए प्रतिदिन योग का अभ्यास करने का आग्रह किया। उन्होंने कार्यक्रम को सफल बनाने के लिए सभी प्रकार के समर्थन के लिए विशिष्ट अतिथियों, शिक्षकों, छात्रों और सबसे बढ़कर फंडिंग एजेंसी आईसीपीआर को धन्यवाद दिया।

अध्यक्षीय भाषण देते हुए डॉ. सुब्रत शर्मा

इस व्याख्यान कार्यक्रम में कुल मिलाकर 136 छात्र और 23 शिक्षण और गैर-शिक्षण कर्मचारी उपस्थित थे।

VARIOUS INITIATIVES TAKEN BY THE AMBEDKAR COLLEGE NCC WING

Swachh Bharat Abhiyan

The Swachh Bharat Mission was established by the Indian Prime Minister on October 2, 2014, in order to speed up efforts to attain universal sanitation coverage and to place sanitation front and centre. On October 2, 2021, NCC Ambedkar College cadets took part in the **Swaccha Bharat Abhiyan** programme that was jointly organised by the NCC and NSS cell of Ambedkar College.

Voluntary Blood Donation Camps

Blood donation is an essential part of every organization, particularly part of NCC. The NSS and NCC cadets along with other students and teaching and non-teaching staff of the college selflessly donated their priceless gift of blood. These camps are jointly organized by the NSS and NCC cell of Ambedkar College in collaboration with various agencies. Apart from that, cadets also participate in camps for voluntary blood donation that are organized by the various Departments of the College.

NCC Rank Distribution cum Cultural Programme

The Rank Ceremony for the NCC Cadets was held at Ambedkar College Fatikroy on 18th February 2022.

Visit of Chief Minister to Ambedkar College

NCC cadets of Ambedkar College participated during the Chief Minister's visit to the College Campus on 26th March 2022.

Environment Conservation

The NCC cadets are also involved in creating awareness among the people on environmental issue. Every year tree plantation in an around the college campus is ceremoniously performed with the help of Forest Department, Govt. of Tripura.

Report of the Sports Meet (Summer) - 2022 held w.e.f. 31st May to 3rd June'2022

Organised by: Sports Committee, Ambedkar College

Educational institutes are set up to offer formal education to the aspirants to develop their all-round personalities. An excellent educational institute always develops its infrastructure to provide various facilities to the learners so that their physical, mental, emotional, social, moral, and other dimensions of personality can be adequately developed. The curriculum is also designed keeping those aims and objectives in mind. Sports and games are essential aspects of the curriculum, and the educational institution always lays equal emphasis on sports and games to develop students' personalities.

Ambedkar College, Fatikroy, a NAAC B+ Graded Higher Education Institute in Tripura, mainly offers B.A. & B.Sc. degree courses. The college is developing, has a good reputation in Tripura, and is determined to provide quality education to all its students. Therefore, sports and games are essential aspects of Ambedkar College. Every year Annual Sports competitions are organized in both summer and winter. Unfortunately, due to the COVID-19 pandemic for the last two sessions, the curricular and co-curricular activities of the college were severely affected. But this time, the college authority, under the able guidance of Dr. Subrata Sharma, Principal in Charge, has returned to its actual track, and both curricular & co-curricular activities are going in full swing.

As a part of its co-curricular activities, one Annual Sports Meet (Summer)-2022 had been organized from 31st May to 3rd June'2022. For that purpose, one preparatory meeting was held on the 19th May at 1-00 pm in the chamber of the college's Principal. The meeting was attended by members of the sports committee headed by Dr. Zakir Hussain, the convenor, and the students. The meeting was presided over by Dr. Subrata Sharma, Principal in Charge. As per the resolution of the meeting, the Annual Sports Meet (Summer)-2022 was started on the 31st May'2022. The scheduled outdoor games were organized in Fatikroy HS School playground, and the indoor games were organized in the college auditorium.

The Annual Sports Meet (Summer)-2022 was inaugurated in the Fatikrui HS School playground with a brief inaugural session. The session was started at 10-30 am and was attended by Dr. Subrata Sharma, Principal in Charge, Dr. Chandan Debnath,

IQAC Coordinator, and Dr. Zakir Hussain, the convenor Sports Committee of Ambedkar College. In their short speeches, the guests emphasised the importance of games and sports.

Dr. Subrata Sharma, in his speech, sought cooperation from all the teachers, students

and others present in the ground. He also appreciated the efforts of the sports committee and students for organising this colourful event. Dr. Sharma also wished success of

the Sports Meet-2022.

The first two days were allotted for outdoor games and six nos. of Physical Instructors

were deputed by the District Youth and Sports Authority, Unakoti District, for smooth organization of the programme. The first-day competition was started with 100 metre sprint (Boys) followed by 100 metre Sprint (Girls), 200 metre run (Boys & Girls), 400 metre run (Boys & Girls), 4×100 metre Relay race (Boys & Girls) etc. Then other items like High-jump, Long-jump, Shot-Put, Jabaline Throw etc. were organized one after another. The day-long programmes were witnessed by the teachers and students and enjoyed by the participants. Both Boys & Girls equally participated in the various items, and the Physical Instructors smoothly conducted day-long programme with the active support of teachers & students. The 1st Day programme was ended at 5-30 pm.

The 2nd Day programme was started at 10-00 am on the 1st June in the same Venue. The day's programme began with Kabaddi Competition among the various semesters. The Boys & Girls Kabaddi teams participated in the event. After the Kabaddi, the Volleyball competition was started where only the Boys team participated. Finally, in the evening, the Football competition was started.

The programme ended at 6-00 pm after identifying the Football, Volley-Ball, and Kabaddi Champion semesters. The Physical

Instructors conducted the day-long programmes with support from teachers & students. Everyone present on the ground enjoyed the games.

The Sports Meet's 3rd Day (2nd June'2022) was mainly allotted for indoor games. The

day-long programme was started at 10-00 am in the college Auditorium Hall. The various games were Ludo, Carom, Chess, Music Ball etc. The boys & girls

participated in the games like Ludo & Chess. Carom competition was mainly among the boys'

and the Music Ball

was mainly for the girls. Both the

teachers and the

students took part in

the day-long

programme with

enthusiasm. The

programme was

continued till 7-00 pm.

The organising

secretary and his

fellow members

finalised the long list

of the

group/individual champion & runners up and other positions holders of the Sports Meet.

The 4th day (3rd June'2022) was kept for prize distribution ceremony. Mr. Amalendu Das, Hon'ble Sabhadhipati of Unakoti Zila Parishad graced the occasion as Chief Guest. The programme was presided over by Dr. Subrata Sharma, Principal (I/C). All other faculty members remained present in the programme.

The programme was started at 11-00 am with the inaugural song of the students. Dr. Zakir Hussain, the Organising Secretary delivered the inaugural speech. Dr Hussain, in his speech, briefly explained the aims & objectives of the programme and welcome the guests and others. Mr. Amalendu Das, Hon'ble Sabhadhipati of Unakoti Zila Parishad who was the Chief Guest of the programme, delivered his speech and appreciated the efforts of Ambedkar College in overall development of students. He thanked the organisers and congratulated the winners in the Sports Meet. He also offered thanks to the participants as well.

The presidential speech was delivered by Dr. Subrata Sharma, Principal (I/C). Dr. Sharma explained college efforts to achieve the most acceptable educational goals. He thanked everyone for attending the programme, supporting the college, and cooperating among the teachers and students.

Finally, the prize distribution ceremony was started. One of the ex-students of the

college, Mr. Sujit Shil, an international kick-boxer, was felicitated by the college authority. Six Physical Instructors, who actively cooperated Sports committee for conduction of

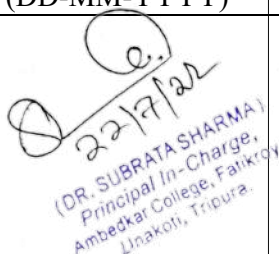

Annual Sports Meet (Summer)-2022, were also felicitated by the college authority. All the winners were distributed with prizes. The whole programme was conducted by Mrs. Jacinta Z. Darlong, HoD, Department of English.
