## INSTITUTIONAL BEST PRACTICE, 2020-21

### PRACTICE - 01

#### ESTABLISHMENT OF COLLEGE NURSERY UNDER THE GREEN AND CLEAN CAMPUS

- 1. Title of the Practice** – Establishment of College Nursery.
- 2. Objective of the Practice** - To make the college campus green and beautiful by artificial plantation at less cost with greater involvement of students and teachers of the college.
- 3. The Context** - In the context of improving and maintaining the green atmosphere of the college by artificial plantation involving students, teachers, and available minimum financial resources, the framework of environmental sustainability was addressed through this practice.
- 4. The Practice** – Since 2014-15 college is striving hard to promote greenery on the college campus. As part of that, plantation programmes were organized at regular intervals by the NCC and NSS wings of the college. And for the purpose of the plantation, the availability of saplings was an issue and financial support for this always remains a challenge for college authority. To minimize these issues and challenges, the college authority thought of becoming self-reliant by establishing a Plant Nursery on the college campus with minimum investment. Finally in the year 2022 college got its own Plant Nursery, and this nursery is maintained by the NSS unit of the college. <https://www.actripura.edu.in/admin/banner/clgnursery2.jpg>
- 5. Evidence of Success** - College got recognized as the "**District Green Champion**" for Unakoti District of Tripura for the academic year 2021-22 by Mahatma Gandhi National Council of Rural Education, Dept. of Higher Education, Ministry of Education, Govt. of India. <https://www.actripura.edu.in/admin/pdf/greenchmp.pdf>
- 6. Problems Encountered and Resources required** - Utilizing the physical facility, finances of the college, and extra efforts of faculty members, especially members of the NSS unit of the college.

## PRACTICE - 2

### ORGANIZING BLOOD DONATION CAMP UNDER COLLEGE SOCIAL RESPONSIBILITY INITIATIVE

**1. Title of the Practice** – Organizing Blood Donation Camp.

**2. Objective of the Practice** - To discharge College Social Responsibility (CSR) and to inculcate the value of community service, especially the need and importance of blood donation, in students.

**3. The Context** – As community service enables humans to acquire life skills and knowledge, as well as provide service to those who need it the most. Volunteering for the donation of blood instills the feeling of helping others to breathe life with their precious donation and has a lasting positive impact on society at large along with taking responsibility as an open-minded, principled citizen.

**4. The Practice** – Realizing the importance of blood donation and considering blood donation as a various practice, NSS and NCC units of Ambedkar College organize Blood Donation Camps at regular intervals. During the financial years 2021 and 2022, the first blood donation camp was organized in the college campus on 12/01/2022 on the occasion of the inaugural ceremony of the Youth Red Cross wing of the college, and then in association with the Village Council of Darchwai on 18/08/2021, next was on 08/02/2022 in association with Lions Club of Kumarghat, and again on 27/09/2022 in association with Alumni Association of the college.

The College provides all facilities like space, furniture, Blood group testing rooms, and blood donation room with good hygiene and sanitation as per the medical standard. Prior to donation, donors were provided with scientific information regarding the blood group and its associated diseases, and the donor students were screened to identify the quality of blood to be collected. The underweight and the infected persons were not allowed to provide donations as per medical advice.

**5. Evidence of Success** – As a result of our commitment to community service in the form of blood donation, the college NSS unit has got a certificate of appreciation from the District Health & Family Welfare Society, Unakoti District, Tripura, as one of the Outstanding Blood Donors Organizations for the financial year 2022. <https://www.actripura.edu.in/admin/pdf/blood%20donation%20performance%20award.jpg> Also, one of the NSS volunteers of the college has got the state-level NSS award from Tripura State NSS Cell for the year 2021-22. <https://www.actripura.edu.in/admin/pdf/awardsaptadeep21-22.jpeg>

**6. Problems Encountered and Resources required** – Difficulty in motivating students for blood donation by clearing their ignorance on blood donation, removing the phobic nature of students to needles and blood testing.
